HAMPTON

VERSALOK® BRACE FOR ROTTEN WOODEN POSTS

- Hampton's VERSALOK® high tensile steel posts offer a quick fix for wooden posts with ground level rot.
- Install the VERSALOK® metal brace next to the rotten post and secure with structural timber screws (provided).
- VERSALOK® is manufactured by Hampton Steel with a long life zinc, magnesium and aluminium coating providing a robust and reliable support.
- This excellent repair kit can help prevent the need to replace a full fence line.
- Offered in easy to handle 1m lengths in bundles of 10.
